Hi Rick,
I didn't realize I had received this annotated bibliography for the geochemical model. I'm so sorry about that!
Please review and add comments.
Thanks!

Subject: Task 1.4 - Annotated bibliography

Hi Valois and Bruce,

Please find attached an annotated bibliography for Task 1.4.

Because some of the sources identified in the Task 1.1 bibliography would also be relevant to Tasks 1.5 – 1.7, I have included the Task 1.1 bibliography as an appendix. Also, we've accepted Rick's edits and included the Deutsch references he suggested, so the appendix incorporates EPA edits and serves as a revised version of the Task 1.1 bibliography.

Let us know if you have any questions.
